

Healing Hearts/PACC 3430 Lee Hwy Draper, VA 24324

I \_\_\_\_\_ am volunteering as a foster parent for Healing Hearts Animal Rescue, also referred to PACC. I, the foster parent, will never assume ownership of my foster dog(s) at any time.

\_\_\_\_\_ I understand that Healing Hearts Animal Rescue will be available to me to help with transition and routine introduction of my foster dog(s) in to my home and with my current dog(s).

\_\_\_\_\_ I the foster parent also understand that Healing Hearts Animal Rescue will do their best to pair the right foster dog(s) for my home environment but understand rescue dogs can have behavioral and or mental issues. Healing Hearts Animal Rescue can not guarantee that the information that is given to the rescue by the surrendering of family or shelter is true or accurate.

\_\_\_\_\_ I the foster parent understand that if my foster dog(s) is not working out in my home I will notify a representative with Healing Hearts Animal Rescue at which time Healing Hearts Animal Rescue will do their very best to find the foster dog a different foster home or the dog(s) may be returned to Pulaski County Animal Shelter as quickly as they can.

\_\_\_\_\_ The fostered dog must have access to indoors and outdoors as appropriate. He/She will never be tied up, chained outside, or have access to a doggie door. I as a foster parent for Healing Hearts Animal Rescue understand that my foster dog(s) will be kept on a leash at all times unless in a secure enclosed area and never left unattended.

\_\_\_\_\_ I will crate or separate my foster dog(s) from my personal dog(s) when I am not home or unable to watch them.

\_\_\_\_\_ The fostering parent will provide the basic needs of the fostered dogs, including food, water, shelter, grooming and trips to and from the vet's office, which will be reimbursed by Healing Hearts Animal Rescue.

\_\_\_\_\_ The fostering parent will provide training and proper socialization for the fostered dogs when necessary, i.e. with your current dogs or with other dogs outside the home. If there is a behavior issue with your foster dog you are required to report that to the director as soon as possible.

\_\_\_\_\_ I will keep my Healing Hearts Animal Rescue representative up to date with each of my foster dogs.

\_\_\_\_\_ I will call my Healing Hearts Animal Rescue representative for approval if I feel my foster dog(s) are sick or need to see a veterinarian unless it's a true emergency. At which point I will call my representative as soon as possible.

\_\_\_\_\_ I will not post on social media of any kind or make public any medical or behavioral information of foster dog(s) as this will be handled by Healing Hearts Animal Rescue.

\_\_\_\_\_ All fostered dogs must have a collar and ID tag on at all times.

\_\_\_\_\_ If supplied and/or dog food is donated to Healing Hearts Animal Rescue they will be made available to the foster parent.

\_\_\_\_\_ Healing Hearts Animal Rescue will provide funds for the medical treatment of the foster dogs.

\_\_\_\_\_ The fostering parent may adopt the rescue dog following the standard adoption policy. Foster parents are given a chance to adopt their foster dog up until an approved application is received. PLEASE NOTE: Some adoptions will happen faster than others as Healing Hearts Animal Rescue has approved applicants on file ready for adoption.

\_\_\_\_\_ Any and all photos or videos that have a foster dog(s) can be used by Healing Hearts Animal Rescue at any time, without consent.

\_\_\_\_\_ Healing Hearts Animal Rescue is not responsible for any damage a dog(s) does to owner property.

By signing this agreement between myself (the foster parent) and Healing Hearts Animal Rescue, I have read, initialed, and understand each of the policies presented to me.
